Sir:

**RESPONSE TO RESTRICTION REQUIREMENT**

In a restriction requirement dated February 23, 2006, the Examiner required an election of species under 35 U.S.C. § 121 between Species I, claims 119-128, characterized as relating to a rolling portion of the film web into a cable, and Species II, claims 131-134, characterized as relating to selectively engaging an edge portion of the film web with at least one roping element. Claims 129, 130, and 135-138 were characterized as generic. Claims 50 and 53-55 were not addressed in the species election requirement. Claims 50 and 53-55 depend from claim 119 and therefore are properly classified with claim 119.

Applicants elect to prosecute Species I, claims 50, 53-55, and 119-128, drawn to a rolling portion of the film web into a cable. Claims 129, 130, and 135-138 are generic.

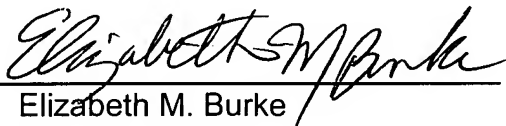

Upon the allowance of generic claim 129, Applicants respectfully request that the Examiner rejoin non-elected claims 131-134, which depend therefrom.

Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
